ANOTHER SATISFIED SELLER THANKS BASHAM AUTOMOTIVE

Warner Robins, GA . . . The Bill Butler family, former owners of Bill Butler Chrysler Dodge Jeep in Warner Robins, GA, recently sold their dealership to Dick Pope and Charlie Cantrell, owners of Five Star Automotive, with the assistance of Basham Automotive. "As intimate...critical...and important as selling or buying your business is, we know of no better business partner you can rely on more than Byron Basham," commented the Butler family. "He and his staff will become your friends as well! From the first initial meeting, to closing the deal, and even in the days and months following the close, Basham Automotive was professional and exceptionally knowledgeable. For us as a seller, Byron's expertise proved invaluable to the successful completion of everything that we needed to accomplish. Byron was there every step of the way through-and even after-the close to handle unforeseen matters that had to be dealt with accordingly. Above, beyond...totally indispensable! We would never consider a buy/sell procedure without Byron on the team."
